The BESTPASS Advantage

Each day carriers waste valuable time and money at toll booths and weigh-stations. If you are still paying cash for tolls you may be spending up to 30% more than you have to AND wasting time in toll lanes.

E-ZPass offers substantial discounts to users in most areas. Both PrePass and NORPASS offer time-saving weigh-station bypass. Your trucks could benefit from one, two or all three of these systems. BESTPASS can help you pick the right combination for YOUR operation!

Let our expertise work for you! BESTPASS constantly monitors the changing landscape in toll roads and works hard to maximize discounts for you!

Where Can We Help?

BESTPASS offers the widest range of benefits to its participants. We offer additional toll savings on the Ohio Turnpike as well as the E-ZPass tolls on the Pennsylvania Turnpike and New York State Thruway or Maryland Toll Bridges. Many facilities have built-in E-ZPass discounts.
